Prompt for recreating the Hinglish agency promo reel

Overall spec

Create a 9:16 vertical Instagram Reel, 1080x1920, 30 fps, about 24 seconds long. It is a talking-head promo for a social media marketing agency, spoken in Hinglish. A young Indian woman with long dark wavy hair, wearing a fitted maroon/wine half-sleeve top and blue jeans, talks straight to the camera while standing on or slowly walking down a residential Indian street. The background is softly blurred (f/1.8 look) with trees, a gate, white pillars and parked scooters. The grade is warm, natural and slightly desaturated, with a cinematic shallow depth of field.

Do NOT add any Instagram username/handle watermark, corner Instagram icon, or the black Instagram end card. Keep the frame clean of any handle popup.

Global motion-graphics style

- **Text-behind-subject (depth effect):** Every big headline word sits BEHIND the speaker. She is rotoscoped/masked, so her head and hair overlap the text.
- **Typography:** Heavy geometric sans (Inter / SF Pro Display / Helvetica Now Display, ExtraBold/Black) with tight letter-spacing. Small supporting words use the same font in Regular/Medium weight, white.
- **Colour palette:**
  - Electric blue gradient (#1A8CFF → #00C2FF) for main keywords
  - Neon green (#3CE65A) for labels
  - Orange→pink→magenta gradient for the brand word
  - White for captions
- **Word-by-word captions:** Each word pops in on the beat of speech, with a quick scale 80%→100% plus a fade over 4–6 frames, ease-out. Captions sit around chest/neck height in the centre.
- **Headline entrances:** Fast slide/mask reveal from the left, or scale-up with a slight motion blur over 6–8 frames, with an overshoot ease (back-out).
- **Floating UI elements:** Phone screenshots, post cards and icons pop in with a spring bounce (scale 0→110%→100%), a soft drop shadow and a slight 3D tilt. They drift gently (2–4 px float) while on screen.
- **Transitions between camera shots:** Light-leak / ink-burn wipes. The blue-white glow, the blue ink smoke and the orange-red film burn each last about 8–10 frames and are paired with a whoosh SFX.

- **Sound:** Upbeat corporate/lo-fi pop background music at low volume, with pop SFX on every graphic and whooshes on transitions.

Shot-by-shot timeline

0.0–1.5 s | Shot 1, medium shot, hands clasped - Huge blue word “Dehradun” slides in from the left behind her head (upper third). - Small white “mein apna” appears just above it. - A small tilted image card spins in at top-right. - Green word “Business” pops in under “Dehradun”. - White caption “chala” pops in at neck level.

1.5–3.7 s | Same shot - “Dehradun” exits. - 3D glossy YouTube, Facebook and Instagram app icons rise up from behind her shoulders with a bounce, then settle in a row above her head. - Big blue “Social media” appears behind her head. - Word captions follow her speech: “customer… nahi arahe”.

3.7–4.0 s | Transition - Bright blue-white light-leak flash sweeps from the right and burns the frame to white.

4.0–5.0 s | Shot 2, wider full-body shot, she walks toward the camera - Blue “Aaj … tarif” text sits behind her head. - She raises both index fingers.

5.0–6.5 s | Same shot - Three Instagram post cards (pink/orange IG gradient thumbnails with a white frame) pop in one after another above her head. - The cards shrink and slide to the top-left. - Caption stack appears: - small white “dal dene se” - big blue “Post” - grey “Kam nai chalta !!”

6.5–9.0 s | Same shot, she gestures with open palms - A phone-screenshot card of a café storefront pops up above her right hand, with a thin white curved line from her palm to the card. - Green label “Right content” appears above that card. - A second card (“THE MISSION” poster) pops up above her left hand. It first appears with a neon-green tint and glow, which then fades to full colour. - Green label “Right ads” appears above the second card. - Caption reads “bhi jaruri hai”.

9.0–11.0 s | Shot 3, hard cut to a tighter medium close-up - Caption “Yahi per” pops in. - A white circle grows from behind her head and becomes the agency logo badge (white circle with the logo + brand name). - The giant word “Studio” in an orange→pink→magenta gradient appears behind her. - Caption “apki help karta”.

11.0 s | Transition - Blue-white light-leak burn, same as at 3.7 s.

11.0–12.5 s | Shot 4, brighter street with a white building - A glassmorphism Instagram profile-page card (frosted, light green tint, rounded corners) pops in at the top-left with a bounce. - Captions: - “Hum apka” - “complete” sliding in from the right - “Social media” in a blue→purple gradient

12.5–15.5 s | Same shot - A minimal white line chart draws itself behind her: thin L-shaped axes, then a zig-zag line climbing upward to the top-right, with a stroke-draw

animation over about 1 s. - A white rounded pill label “Performance marketing” sits at chin level, with the text in a pink→purple gradient.

15.5–16.0 s | Transition - A blue ink/smoke burst wipes in from the top-left.

16.0–18.0 s | Shot 5, darker tree-lined street, she walks forward - Bold white “Aur best part” appears at chest level. - Small white “humari services” sits above it. - “Start hoti hai” sits below.

18.0–20.0 s | Same shot - A big white number counter rolls from “0” up to “30000” over about 1.2 s with an ease-out curve. - A gradient circular progress ring (purple/blue/white) spins behind the digits. - A small “Rs” appears after the number. - Caption “Per month se”.

20.0–20.5 s | Transition - Orange-red film-burn light leak.

20.5–23.0 s | Shot 6 - Big white “So if you” pops in at the top-left. - Small “want to boost” appears under it. - Blue “Your business” slides in with a brown circular ring/badge graphic spinning in at its left. - Small “online” appears below.

23.0–24.5 s | Same shot (end) - Bold white “DM US RIGHT NOW” appears at chest level, with a light shimmer/gradient sweep passing across the letters from left to right. - Small “to get started” sits above it. - End on her smiling. Hard cut or quick fade to black. - **No Instagram end card and no handle.**

Notes for the creator

- Replace the logo badge, the “Studio” word, the profile screenshot and the post cards with your own brand assets.
- Keep the speaker masked on every shot so that all headlines stay behind her.
